# Types of Sessions

- Standard Session:** A standard 90 minute session.
- Extended Session:** More and more of My monthly submissives have requested a two – three hour session. I have seen the advantages of the extra time and have decided that I will make this standard for all that request it.
- Day Session:** A full day meeting. This might be in the dungeon, public or mall play or a combination of both. I prefer to meet for one session first however have made exceptions for people that must travel.
- Over Night:** This meeting was implemented for My increasing number of out of state submissives however has become a lot of fun for My humiliation sluts as well. The meeting will consist of qty (3-4) hours play time and then you will be forced to stay the night in Bondage/cage (D/S Environment) catered to your limits/likes. If you enjoy being humiliated with golden showers or cum then you will love this one.
- Keyholder:** Long term chastity play. For those that want to give up the option to cum 😊
